**RE: Required Submission of Information  
Lower Darby Creek Area Superfund Site - Clearview Landfill,  
Folcroft Landfill, and Folcroft Landfill Annex**

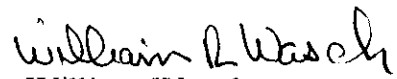

Dear Mr. Miller:

In accordance with your request for information related to the above-captioned matter, I have enclosed Tinicum Township's responses to questions contained on Enclosure "F" based on the limited availability of information we were able to locate in our township records.

In accordance with the very limited information we were able to obtain, it appears that Tinicum Township did not dispose of any waste at the Clearview, Folcroft or Folcroft Annex sites during the years in question. It would be my suggestion that further inquiries be made to the appropriate Delaware County representative who may be able to provide additional information concerning the disposal of waste at the sites in question.

Should you have any questions or if I can be of any further assistance, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "William R. Wasch".
